Dear Raju,

Having returned from Moscow, I want to take this opportunity of expressing my thanks for the trouble you took at the airport the night I left to assist me in connection with my export permit. I would also like to express my appreciation for all the assistance you rendered to the Hitachi people.

I greatly appreciate the personal attention you gave to me and I look forward to meeting you again in the future.

With regards,

Yours sincerely,

  
Ratan N. Tata
